

WAITING LIST WEDNESDAYS

Ohio's waiver waiting list rule has changed. Join the Hamilton County DD Services Introduction and Eligibility (I&E) team for an in-person information session where you'll learn what's changing and how the new rule will affect you. These sessions will provide an overview of the coming changes and allow the opportunity for you to have personal discussions with our I&E team to address specific questions.

Join us to learn more about waiting list changes

FAMILIES WITHOUT A WAIVER

This session is designed for families who are on the waiting list and do not have a waiver of any kind. Choose the date that's best for you.
